

IUPUI Study Abroad Infographic

Global Jags, Global Learning

At the top is a map of the world, with an IUPUI logo and an airplane flying away from the United States.

An image is shown representing numerous people.

531 students studied abroad in 2015-2016

20% more Jags studied abroad in 2015-2016 than 2014-2015

A red box below that on the left says the top three schools represented are:

- Kelley School of Business
- School of Liberal Arts
- School of Science

A blue pie chart on a red background shows the class standing of the students as follows:

Freshmen: 1 percent

Sophomore: 8 percent

Junior: 22 percent

Senior: 39 percent

Master's: 14 percent

Doctorate: 1 percent

Professional: 16 percent

A cartoon image of suitcases is accompanied by the statistic that 46 different countries were visited abroad.

A list of the top three country destinations, accompanied by an image of each country's flag:

- United Kingdom
- Spain
- Germany
